SCHOOL HISTORY AND DESCRIPTION

The Everest College campus at Aurora was formerly known as Parks College, which was founded by W. T. Parks in 1895 under the name "Modern Business School." The school was located in downtown Denver at 14th and Curtis Street. In July 1923, the school was relocated to 1450 Logan Street and was renamed "Parks School of Business Administration." Parks School of Business Administration was the only private business school in Denver to be accredited according to college and university standards. As an accredited member of the American Association of Commercial Colleges, Parks trained public school teachers to instruct in or chair commercial and business departments before this training was available in other colleges and universities. Even during the Great Depression of the 1930's, Parks remained a thriving institution, continuing to train students for business education. In response to a growing student body, the school moved to 1968 Pennsylvania Street, and in the late 1970's, to a suburban location on North Broadway.

In 1989, Parks Junior College opened this campus in Aurora, southeast of Denver. In August of 1995, Parks Junior College changed its name to "Parks College" as approved by the Colorado Department of Higher Education, Division of Private Occupational Schools. On October 17, 1996, Parks College was acquired by Rhodes Colleges, Inc. In June of 2006 the school changed its name to Everest College.

In February 2015, Zenith Education Group purchased the school from Corinthian Colleges, Inc. and transitioned it from a for-profit college into a dynamic nonprofit learning institution.

The Aurora campus is located at 14280 East Jewell Ave. (near the corner of Sable and Jewell) close to the I-70 exit from Interstate 225. The campus was built in 2001 and occupies approximately 33,000 square feet. It is complete with computer laboratories, classrooms, medical laboratories, library, student lounge, and Administrative Offices.

Everest College, the facility it occupies and the equipment it uses comply with all federal, state and local ordinances and regulations, including those related to fire safety, building safety and health.

current course of study prior to February 2, 2015. The amount of the scholarship, which could be up to \$10,000 per current and future academic period, may vary by student based on the number of modules, courses or credits remaining in order for the student to complete his/her program of study, and the time frame of application submission.

For students who apply on or before May 2, 2015, the tuition reduction effective date is February 2, 2015. For students who apply after May 2, 2015, the tuition reduction effective date is the date the application is submitted.

Students who withdrew prior to February 2, 2015, but reenter prior to August 2, 2015, may also apply upon reentry and be eligible upon graduation for a supplemental graduation scholarship of up to \$5,000 for the purpose of covering any prior academic year balances incurred for the program that they reenter.

Eligibility

To be eligible, the student must:

- Apply for the scholarship
- Meet all application deadlines
- Maintain satisfactory academic progress throughout the remainder of his/her program
- Graduate from the program for which he/she is enrolled at the time of applying for the scholarship

Obtaining scholarship funds

The scholarship amount will be applied to the student's account as a non-cash payment at the time of graduation to cover any outstanding tuition or fee expenses, and any credit balance that results will be resolved by:

- A payment to the government as reimbursement for payments received by Everest from the student's federal student loans to reduce his/her loan obligation.
- A payment to the lender as reimbursement for the payments from a private student loan that the lender directly disbursed to Everest.
- A payment to the student for any tuition he/she previously paid directly to Everest.

The scholarship is non-transferable
