- Dental Assistant
- Dental Sterilization Technician
- Dental Supply Technician
- Dental Surgery Assistant
- Pediatric Dental Assistant

What’s the Career Demand?

Job prospects for dental assistants should be excellent, as employment is expected to grow much faster than average through the year 2014. In fact, dental assistant profession is expected to be one of the fastest growing occupations during this time period! Population growth and advances in dental care will fuel demand for dental services. In addition, as dentists’ workloads increase, they are expected to hire more assistants to perform routine tasks, allowing them to focus on more complex procedures.
