Graduates of this program may find entry-level career opportunities in the following areas:

> Jr. Parts Associate
> Motorcycle Technician
> Service Technician

W H A T ’ S  T H E  C A R R E E R  D E M A N D ?

Employment is expected to grow 24 percent for motorcycle mechanics by 2020. Motorcycle registration has increased steadily, driving the demand for repair services. The majority of job opportunities will be with motorcycle dealers due to the importance of service operations in this industry. Employees with formal training will have the best employment outlook.

Your local market data likely differs from these federal statistics.

Your own hard work, professionalism, experience, work attitude, local market and other factors will impact your personal employment opportunities and pay.
