ADDENDUM, effective May 30, 2014: The following Refund language has been updated in the catalog.

Institutional Pro Rata Refund Calculation and Policy

When a student withdraws, The School must determine how much of the tuition and fees he/she is eligible to retain. The Pro Rata Refund Calculation and Policy is an institutional policy and is different from the Federal Financial Aid Return Policy and Return calculation; therefore, after both calculations are applied, a student may owe a debit balance (i.e. the student incurred more charges than he/she earned Title IV funds) to The School.

The School will perform the Pro Rata Refund Calculation for those students who terminate their training before completing the period of enrollment (i.e., students who receive a final grade of "W" or "WZ"). Under the Pro Rata Refund Calculation, The School is entitled to retain only the percentage of charges (tuition, room, board, etc.) proportional to the period of enrollment completed by the student. The period of enrollment for students enrolled in modular programs is the academic year. The period of enrollment for students enrolled in quarter-based programs is the quarter. The refund is calculated using the following steps:

1. Determine the total charges for the period of enrollment.
2. Divide this figure by the total number of calendar days in the period of enrollment.
3. The answer to the calculation in step 2 is the daily charge for instruction.
4. The amount owed by the student for the purposes of calculating a refund is derived by multiplying the total calendar days in the period as of the student’s last date of attendance by the daily charge for instruction and adding in any book or equipment charges.
5. The refund shall be any amount in excess of the figure derived in step 4 that was paid by the student.

WyoTech does not and will not discriminate on the basis of race, color, religion, age, disability, sex, pregnancy (including childbirth, false pregnancy, termination of pregnancy, and recovery therefrom), sexual orientation, national origin, citizenship status, gender identity or status, veteran status, actual or potential parental, family or marital status in the administration of its educational and admissions policies, scholarship and loan programs, or other school-administered programs. For information on discrimination-related grievances, please see the Discrimination Grievance Procedures section.

REMOVED:
WyoTech does not discriminate on the basis of race, color, religion, age, disability, sex, sexual orientation, national origin, citizenship status, gender identity or status, veteran or marital status in the administration of its educational and admissions policies, scholarship and loan programs, or other school-administered programs. In compliance with the Americans with Disabilities Act of 1990, as amended and Section 504, WyoTech provides qualified applicants and students who have disabilities with reasonable accommodations that do not impose undue hardship.

ADDENDUM, effective February 28, 2014: The following language has been updated under Administrative Policies section on page 16 of the catalog.

ADDED:
DISCRIMINATION GRIEVANCE PROCEDURES
A student initiates the Discrimination Grievance Procedure by contacting the Section 504/ADA Coordinator for disability-related complaints, or the Campus President for all other complaints alleging discrimination carried out by employees, other students, or third parties. The Section 504/ADA Coordinator and Campus President can be reached at the campus contact information located in this catalog. A student’s participation in any informal resolution procedures is voluntary and he/she may pursue this formal grievance procedure at any time. The Section 504/ADA Coordinator or Campus President or his/her designee will explain the complaint procedures and assist the student in filing a complaint. The complaint need only be a written letter containing allegations that specifically identify the discriminatory conduct, the person(s) who did it, and all witnesses the student believes can support the allegations. A complaint should be made as soon as the student believes he/she has been discriminated against, but no later than within 180 days of the date that the alleged discrimination occurred, or the date on which the student could reasonably have learned of the discrimination.

When a complaint is filed, the Section 504/ADA Coordinator or Campus President or his/her designee begins an investigation within 14 days. The student, the accused, and any witnesses they identify are interviewed. Any relevant documents identified by these persons are reviewed. Within 45 days of the complaint, the Section 504/ADA Coordinator or Campus President or his/her designee will inform the student and accused in writing of sufficient or insufficient evidence to confirm the student’s allegations, state the key facts, reasons why that conclusion was reached, and outline any proposed resolution or corrective action if applicable, subject to any applicable privacy constraints. The student is also notified of the right to appeal the investigation conclusion. An appeal must be made in writing to the CCI Director of Academic Services, who may be reached at the Student Help Line number or email address below within 15 days of receiving notice about the investigation conclusion. Within 15 days of receiving the appeal, the CCI Director of Academic Services will review the matter and provide a decision in writing.

Complaints are investigated in a manner that protects the privacy and confidentiality of the parties to the extent possible. No employee or agent of the School may intimidate, threaten, coerce or otherwise discriminate or retaliate against any individual because he or she has filed a complaint or participated in the complaint resolution process. If a student believes any such retaliation has occurred, a complaint of retaliation should be filed according to the procedure described above. WyoTech makes every effort to prevent recurrence of any finding of discrimination and corrects any discriminatory effects on the grievant and others, if appropriate.

If the 504/ADA Coordinator or Campus President is the subject of the grievance, the student should contact the Student Services Manager at the Student Help Line at (800) 874-0255 or via email at StudentServices@cci.edu. The Student Helpline in consultation with the appropriate Academic Services team member(s) will provide guidance to the student for initiating and submitting their grievance in writing to StudentServices@cci.edu.
ADDENDUM, effective February 28, 2014: The following language has been updated on page 6 of the catalog.

ADDED:

LEAVE OF ABSENCE POLICY (MODULAR PROGRAMS ONLY)

WyoTech permits students to request a leave of absence (LOA) as long as the leave does not exceed a total of 180 days during any 12-month period, starting from the first day of the first leave, and as long as there are documented, legitimate extenuating circumstances that require the students to interrupt their education, including pregnancy (including childbirth, false pregnancy, termination of pregnancy, and recovery therefrom) or temporary disability. Students requesting an LOA must submit a completed Leave of Absence Request Form prior to the beginning date of the leave. If unforeseen circumstances prevent the student from submitting the request in advance, the leave may still be granted, but only if:

a) the school documents the unforeseen circumstances, and
b) the student submits a completed Leave of Absence Request Form by the tenth (10th) calendar day of the leave.

NOTE: WyoTech does not permit leaves of absence for students enrolled in quarter-based programs. Students experiencing circumstances that may make it necessary to interrupt their attendance temporarily should see the Academic Dean/Director of Education.

A student must return from a LOA on the first day of any appropriate module or prior to the expiration of his or her leave. A student who goes on leave prior to the end of a module shall receive a grade of “L” (leave) which shall remain on his or her transcript until the student returns from an LOA, retakes the entire module and earns a grade. The module with a grade of “L” shall not be included in the calculation of Rate of Progress (ROP), Maximum Time Frame (MTF) or attendance.

REMOVE:

LEAVE OF ABSENCE (LOA) POLICY

The institution permits students to request leaves of absence (LOA) for up to 180 calendar days or one-half the published program length, whichever is shorter, during any 12-month period if there are legitimate extenuating circumstances that require the students to interrupt their education. In order for a student to be granted an LOA, the student must provide the Campus President or Director of Education with a signed and dated written request, prior to the leave of absence (unless prevented by unanticipated circumstances) outlining the reasons for the LOA request and the date the student expects to return to school. If the leave of absence request is approved by the institution, a copy of the request--dated and signed by both parties, along with other necessary supporting documentation--will be placed in the student’s file. Veterans requesting to take a Leave of Absence during training are advised that, per Department of Veterans Affairs, Veterans benefits must be terminated during a Leave of Absence.

**Same Program (New Program Version of Different Credits/Length of Program)**
Will be charged tuition at the current catalog rate for the program of enrollment less the tuition credit from the prior period of enrollment. Determine which re-entry credit for the prior period of enrollment is in the student’s best interest by referring to the Enrollment Agreement Guidelines.

**Different / New Program (Program Change)**
Will be charged tuition at the current catalog rate for the program of enrollment. A tuition credit will be determined for the student’s prior period of enrollment.

**Return from LOA**
A student must return from a LOA on the first day of any appropriate module or prior to the expiration of his or her leave. A student who goes on leave prior to the end of a module shall receive a grade of “L” (leave) which shall remain on his or her transcript until the student returns from an LOA, retakes the entire module and earns a grade. The module with a grade of “L” shall not be included in the calculation of Rate of Progress (ROP), Maximum Time Frame (MTF) or attendance.

**Failure to Return from LOA**
The “L” grade in the LOA beginning module shall be changed to “W” (withdraw). The module with a grade of “W” shall be included as an attempt in the calculation of Rate of Progress and Maximum Time Frame.

**Coursework Completed at Foreign Institutions**
All coursework completed at a foreign institution must be evaluated by a member of the National Association of Credential Evaluation Services (NACES) or a member of the Association of International Credentials Evaluators (AICE). The evaluation must be course by course with letter grades. An exception to this may be allowed for students transferring from Canada with prior approval from the Transfer Center.

**Satisfactory Academic Progress**

**FA Probation (SAP NOT MET – 2nd consecutive term)**
At the end of each term following a SAP evaluation, students with an immediate SAP NOT MET status and who are SAP NOT MET again according to the academic progress standards stated in the school’s catalog, will be notified with a SAP NOT MET letter indicating that they will be withdrawn unless they successfully appeal by written request within five (5) calendar days after the notification in accordance with the Academic Appeals Policy. Appeals shall only be granted for the following reasons: the death of a family member; an illness or injury suffered by the student; special circumstances of an unusual nature which are not likely to recur. (See ED002 Academic Appeals Policy.)

**Academic Progress Plan (APP)**
Students on FA Probation must agree to the requirements of an Academic Progress Plan (APP) as a condition of their FA probation. Each student shall receive a copy of his or her APP. A copy of each student’s APP shall be kept in the student’s permanent academic file.

The APP may extend over one (1) or multiple terms, as defined at the initiation of the APP. At the end of the first evaluation period on the APP, the student will meet with the Academic Dean/Director of Education (or designee)/Online Designee for an evaluation of progress of the plan’s requirements. If on a single-term plan and the student has met the requirement(s) of the plan, the student must be in SAP Advising or SAP Met status, and the student’s APP shall be considered fulfilled and closed. If on a multi-term plan and the student has met the requirement(s) of the first evaluation period, then new requirement will be set and the student will be placed manually into SAP Meeting APP Status and will adhere to the subsequent term requirements of the APP.

If at the end of any SAP evaluation period on the plan (APP) the student does not meet the plan’s requirement(s), the student will receive a dismissal letter and will be dismissed from the program.

Students who have violated their FA Probation and have been dismissed from a program are not eligible for readmission to that program if they have exceeded, or may exceed, the maximum time frame of completion until they re-establish appropriate Satisfactory Academic Progress standing.

**SAP Advising or SAP MET Status**
If the student has met the requirements of a one-term plan, the student must be in SAP Advising or SAP MET status and the student’s APP shall be considered fulfilled and closed. The student will be provided with either a SAP Advising or Return to Academic Good Standing Letter. In the case of SAP Advising, the student will be advised with the Academic Advising form and will be FA eligible.

**SAP NOT MET Status and/or Dismissal**
If on a multi-term plan, it is likely the student will remain SAP NOT MET for the second (and ensuing) evaluation periods. At the end of each evaluation period, the student will be notified, evaluated for progress, and if the APP requirements are met, will be manually assigned SAP Meeting APP status and continue on the APP. New requirements for the second (or ensuing) evaluation period will be defined using the Evaluation of Progress form.

**Retaking Failed Coursework**
For the purpose of improving academic standing and establishing institutional grade point average, students must repeat any failed coursework. Failed courses may be repeated more than twice, so long as repeating the coursework does not jeopardize the students’ maximum time frame of completion. Pre-requisite modules in diploma programs may not be repeated more than three (3) attempts. Each attempt counts in the calculation of the students’ rate of progress and successful completion percentages. All repeated coursework will appear on the student’s transcript, but only the highest grade earned, will be included in the calculation of their cumulative grade point average. Attendance in successfully repeated classes/modules will also replace attendance in prior unsuccessful attempts.

ADDENDUM effective July 1, 2012: The school will stop enrolling new Ability to Benefit (ATB) students. The limited circumstances under which an ATB student, who first applied, enrolled and attended by June 30, 2012, may establish eligibility for re-entry on or after July 1, 2012 are outlined in the policy below. No ATB students are eligible to re-enter, under any circumstances, past December 28, 2012.

ABILITY TO BENEFIT STUDENTS ENROLLING AND ATTENDING BY JUNE 30, 2012
Effective for students who first apply, enroll and attend a program of study by June 30, 2012, federal regulations allow individuals who do not possess a high school diploma or its recognized equivalent, and home school students who do not meet certain criteria, to attend post-secondary institutions and qualify for federal financial assistance. Such students must demonstrate an ability to benefit by achieving a minimum passing score on an ATB test. An ATB student applying for admission, enrolling and attending by June 30, 2012, may be conditioning accepted prior to the receipt of an official score report. However, a student’s financial aid package may not be submitted and attendance may not be posted until the receipt of an official score report indicating a passing score.

ABILITY TO BENEFIT PASSING TEST SCORES
ATB students must achieve or exceed the minimum passing scores in all subtests at one administration. Minimum ATB qualifying scores for CPAt, COMPASS, ASSET and the Wonderlic Basic Skills Test as defined in the table below.

RE-ENTRY OF ATB STUDENTS ON OR AFTER JULY 1, 2012
An ATB student, who had applied for, enrolled and attended his or her program of study and had subsequently dropped, is eligible to re-enter within 180 calendar days of his or her Date of Determination (DOD) if all of the following conditions are met:

- The ATB student must have attended his or her program of study by June 30, 2012 in order to be eligible for Title IV funds for the 2012-2013 award year;
- The ATB student must have been packaged and his or her Pell grant and/or any loans originated prior to the student’s Date of Determination; and
- An ATB student who requires funding for the 2012-2013 award year must complete both the 2011/2012 and 2012/2013 FAFSA. The 2011/2012 FAFSA must be completed by June 30, 2012.

ATB students re-entering on or after July 1, 2012, under the limited circumstances outlined above will not be required to retake and pass the ATB test if the official score sheet from the test publisher is in the student’s academic file.

NOTE: ATB students are not eligible to re-enter under any circumstances past December 28, 2012 when 180 calendar days from July 1, 2012 would have passed. This includes ATB students attempting a first time re-entry and subsequent re-entry attempts of ATB students who had a qualifying re-entry after July 1, 2012 but subsequently dropped.

ABILITY TO BENEFIT ADVISING
The school has a regulatory obligation to provide academic support services necessary for the success of each student in the ATB program and to ensure that following completion of the program the student is ready for placement. All ATB students shall receive academic and career advising after each grading/evaluation periods (i.e. term, module, phase, level, or quarter).
